Subj: DEPARTMENT OF THE NAVY SECURITY MANAGER CONFERENCE

1. This year marks our 18th Department of the Navy (DON) Security Manager Conference. Over the past 17 years information has been provided regarding Information, Industrial, and Personnel Security policy and guidance, which directly supports your command's security programs.
2. This is an advance notice that the conference will be held the week of May 14-18, 2012, at the National Conference Center, Lansdowne, Virginia. Sessions will begin on Tuesday, May 15th and continue until Thursday evening, May 17th. Program Managers and guest speakers from the Department of Defense and the DoN will be present to discuss recent and proposed changes to Information and Personnel Security Policy.
3. This year the attendance is open to DoN Security Directors and Command Security Managers (CSMs) listed in distribution, to include CSMs from your subordinate commands. Commands are encouraged to attend, so please ensure widest dissemination. Registration for overnight and day guests will be via a passkey link set up early February 2012 on our website at <http://www.ncis.navy.mil/securitypolicyPages/default.aspx>, with registration closing May 1, 2012.
4. Questions regarding the conference and registration may be directed to Ms. Karen W. Murphy at DONSEcurityOTA@navy.mil or 571-305-9411.
