Would you like to work as an Intelligence Specialist or Investigative Analyst for a premier civilian Federal Law Enforcement and Intelligence Community agency? If so, attend the NCIS Virtual Career Fair on June 29, 2023.

The Naval Criminal Investigative Service (NCIS) is actively searching for talented candidates to fill Intelligence Specialist (Job Series 0132) and Investigative Analyst (Job Series 1805) positions in various locations.

NCIS is the civilian Federal law enforcement and intelligence agency uniquely responsible for investigating felony crime, preventing terrorism, and protecting secrets for the Navy and Marine Corps. NCIS defeats threats to the Department of the Navy (DON) warfighters from across the foreign intelligence, terrorist, and criminal spectrum by conducting operations and investigations ashore, afloat, and in cyberspace. NCIS relies on a highly skilled professional workforce to navigate a rapidly evolving threat landscape. As such, Intelligence Specialists and Investigative Analysts play a critical role in executing the NCIS mission as they counter dynamic worldwide asymmetric threats to the DON through proactive analysis that drives priority operations and investigations and threat warning.

NCIS is advertising the following positions:

1. **Intelligence Operations Specialist, Job Series 0132**
   - **Description:** Serve as primary liaison to foster bilateral engagement, information sharing, and collaboration between NCIS and the host nation’s government counterparts.
